As Editor of this Magazine I would like to add my own personal recommendations for this firm. Before my last holiday with the Wrinkly's to Lake Garda, I had all but given up on getting Travel Insurance due to my personal health problems. I had tried every Travel Insurance Firm possible with no results. However, one phone call to David Southern, of BP Insurance Brokers, took all the worry out of it for me. His personal, and very sympathetic, attention to my needs was exceptional, and I will not hesitate to use this firm for further Travel Insurance, and any other type of Insurance, I may need in the future.
