

GRAND FLEX PAIN RELIEF LOTION - COST: £12.00

This is an amazing product containing a powerful topical analgesic for deep penetrating immediate pain relief to use on yourself when pain, stiffness and inflammation are interfering with your running enjoyment. Simply roll on the affected area for fast, immediate pain relief and long-term pain relief with continued use. This odorless, non-greasy lotion comes in a convenient easy to use roll-on applicator. It is ideal to use as a pre-run warm-up and for everyday joint, muscle and tendon pain relief.

Some members of WeshamRR have used this product and think it's great!!!!
