One of the friendliest races in the country! Even in the darkest of winter months you are sure of a warm welcome from the whole village of High Legh. Lymm Runners are the new partners and co-race organisers and we hope to build on the success of the previous four races.

We are keeping the same course from the same race HQ. After 1k through the streets of High Legh village (including Robert Moffat), the course is predominantly flat along leafy lanes bounded by hedgerows offering some protection against February weather, proceeding via Hoo Green and Broomedge to finish inside High Legh Primary School playground. Not suitable for wheelchairs.
